Hetletved Quarter Horses

“The Best Kept Secret in the Dakotas and Montana!”

PO Box 11 ~ Robinson, ND 58478 ~ 701.392.8351 ~ HQHBEK@BEKTEL.COM

Rolling hills. Blue Skies. Dakota “peaceful.” To many, this is the definition of the American Cowboy’s Heritage. To Hetletved Quarter Horses, this is simply home, where we are blessed to be able to offer you over 50 years of horse breeding.

It started in Big Sky country, where Bub and Nona Nunn saw the necessity of good horses, capable of covering big country as well as performing in the arena. Their program was accomplishing just that, and then Nunn’s discovered High Rolling Roany as a promising foal. High Rolling Roany proved to be a legend in his own time. His progeny possess amazing maternal traits from rich milk to being self-sustaining in the pasture. In addition, High Rolling Roany’s get offer size, cow ability, disposition, sound structure and mind, a will to work, and feet that will put farriers out of business.

The Hetletved Quarter Horse program offers the highest concentration of High Rolling Roany with the largest band of High Rolling Roany daughters (owning 60%) as well as two HRR sons in the stud batter. This year is one of our most even foal crops yet! And, this is your year for stud prospects!!! Some of our young mares, who represent our full program are now in their prime. We are excited to see our planning and breeding come to fruition with a foal product that we are very proud of. These Roany descendents are known for their uniformity, maternal traits, and saddle-fitting withers for covering big country with good foot and bone.

The Hetletved Quarter Horse Ranch is a family-run business that consists of a horse breeding and cattle operation located near Robinson, North Dakota. Gene and Jan Hetletved operate the ranch with the help of their sons, Lee and Clint, and families. Gene and Jan run a cow-calf operation as well as the Dakota Hills Hideaway hunting lodge. There’s always many directions that we are all going. Gene is main strategist and pedigree man. Jan is the main photographer of all of our foal pictures. We enjoy our horses and strive to make them nice to look at while they are being used. We work cattle the old fashioned way by dragging them to the fire. Our horses are not strangers to the chores that a ranch requires. It won’t matter if you are looking to check those yearlings that refuse to stay in or wanting to stretch that corner fence that won’t stay tight; we have a horse bred to take care of you. Ranch, performance, or show, we invite you to take a look at our horses.

Lee and Penny Hetletved own and operate LH Equine Center, a stable and equine event center. Lee is a teacher of agriculture at Wilton Public School, barn operator person, and main horse trainer. Penny is the Principal of Schools for the ND Department of Corrections and Rehabilitation, puts together the sale catalog, and is currently working toward her doctorate. Kinley is horseback and has won many an award on Two Socks (HRR gelding) and Junior (Zan Gold Jackson gelding). Hatley is officially a youth rodeo participant with a serious need for speed--luckily our faithful Two Socks knows just how much speed to give her! Lee and Penny have made a decision to get back to the basics. They are not hosting the MRB Sale this year to better commit time to their family as well as the family production program that put them in the horse business industry when the journey began fifteen years ago.

Clint is the go-to man for mechanical expertise on the ranch. He operates a mechanical shop in Robinson where Clint and Gene weld custom panels. Clint also stays busy tending to his cow calf pairs, doing a bit of farming, and haying. His wife Lacey is a loan officer at Capital Credit Union. Tucker is his dad’s right hand man who can quickly bring a smile to our faces. Most exciting of all, we would like to introduce you all to the newest cowgirl, Abbie Jo. She’s as cute as you can make her. The twinkle in her eyes lets you know that she’s ready to get in the middle of the action.

Thank you for taking an interest in our program. We welcome visitors and appreciate your business.

The Story Behind Our Breeding Program...

Hetletved Quarter Horses desired a breeding program that would produce horses possessing good dispositions, foot and bone, as well as reflecting proven foundational bloodlines within the ancestry. In addition to the physical features, we wanted horses with good minds, athletic ability, and diversity under saddle. Through much research and networking, Hetletved Quarter Horses chose the route we wanted to pursue. Our breeding program is based on four sires that possess profound consistency. These sires are Joe Hancock, Driftwood, Peter McCue, and High Rolling Roany.

Peter McCue was born in 1895 on the Sam Watkins Ranch in Illinois. Peter McCue sired 44 foals that figured into AQHA pedigrees. Peter McCue was used as a ranch sire, ranch horse, and was professionally raced from April 1897-October 1899. During this time, he participated in 38 races--being the declared victor in 36. He was a well-known match race horse that competitors hated to see arrive. Peter McCue was later owned by John Wilkens of Texas. Peter McCue was a stallion who knew what "hat" he was wearing depending on the setting he entered. He was named an AQHA Legendary Sire, has been placed in the AQHA Hall of Fame, and was featured in the AQHA Legends Volume II edition. Peter McCue died in 1923.

Joe Hancock was born in 1923 on the John Hancock Ranch in Texas. Joe Hancock sired six Race ROM, 2 Arena ROM, and 21 ROM Producing daughters. Joe was put down in 1943 due to complications from a pasture accident. He was inducted into the AQHA Hall of Fame in 1992. Joe Hancock did not receive the above list of fame by being a mere sire. In those days, stallions had to prove themselves before getting stallion duties. Joe Hancock was known for his conformation. The Western Horsemen's Legends quoted Newt Keck as saying, "Joe could go to the track today and not be out of place in terms of conformation...He looked good then, and he'd still look good. Joe had the best hip and one of the heaviest loins {I'd} ever seen on a horse."

Joe Hancock raced during the true glory days on dirt roads and "lap and taps." Joe was never beaten in all his races at three-eighths of a mile. He was only beaten once in his career during a half mile race. During his off time, Joe Hancock was cowboied on at the ranch as well as breeding mares. Diane Simmon's Legends book states, "Many ropers of today say that Joe Hancock was the all-time greatest sire of rope horses. Even third- and fourth-generation Hancocks have made good rope horses...Old time ropers say that the Hancocks were big, stout, and tough, with lots of bone...Most of them had good withers, cinched deep, and sure enough could run...Ropers still swear by these big...hard-working horses."

Driftwood, also known as "Speedy," was born on 1932 on the Childress Ranch in Texas. Driftwood had 25 foal crops before his death in 1960. We chose Driftwood breeding due to his consistency of offspring being great performers. AQHA calls him a "Legendary Sire of Roping Horses" in a 1952 article published by the organization. Driftwood is a grandsire of 16 AQHA Champions, a sire of 20 ROM earners, and is considered 100% Foundation Quarter Horse breeding.

None of the accolades are without merit, though, since Driftwood himself was quite a performer. He was known for outstanding physical ability and speed. Driftwood was a notorious lap and tap racer. His fame for this sport came not only from his speed index of 95 mph, but also due to his never getting "hot" with the many re-starts that were common to the sport. Driftwood was sold to Asbury Schell, a tough Calf Roper and World Champion Team Roper, who made Driftwood a fixture at the big rodeos across the circuit. Soon, Driftwood was known as "Speedy" due to his ability to catch cattle with ease. Driftwood was used in calf roping, team tying, single steer roping, bull dogging, and match races. According to a *Hoofs and Horns* article, Driftwood was used at a Payson, AZ rodeo where he took his riders to the pay window in all of the above events. Due to the hardships of World War II, Asbury sold Driftwood in 1943 to Channing and Katy Peake where he began his career as a sire.

Driftwood's diversity, ability, and disposition are characteristics still coming through his generations today. The Western Horsemen's Legends: Volume II quotes Jimmy Williams, one of the greatest stock horse and hunter-jumper trainers, as describing Driftwood foals by saying: "They are the best. You ask 'em to do anything, and they'll do it. They want to learn, and they have the ability to do something when you've finished with them. I think Speedy is as good a sire as there is any place."

High Rolling Roany is a Driftwood/Joe Hancock bred stallion. High Rolling Roany was born in 1985 on the Roy Cleveland Ranch. He was purchased as a yearling by Bub Nunn of Miles City, MT. High Rolling Roany died in 1998 due to complications of a foot injury while pasture breeding. Roany is buried on top of a hill that sees in all directions at the Hetletved Quarter Horse Ranch.

According to the article entitled "The Cowhorse Confluence" by John L. Moore, the purchase of High Rolling Roany happened like this. Nunn says he was "wanting a Hancock horse pretty bad" when he went to a Jayne Harris horse sale in Recluse, Wyoming in 1985. A stranger approached him and pointed at one big roan weanling. "That's the only stud colt ever saved out of Roan Prairie," the man said. "I picked up in Cheyenne on Roan Prairie and he was the best pickup horse I ever rode." The colt had been consigned to the sale by noted breeder Roy Cleveland and was named "High Rolling Roany." Just as Roan Prairie was the definition of quality by that stranger, High Rolling Roany proved to be a super saddle horse that covered the big country of Montana with ease. As a sire, he consistently gave his foals even dispositions, good foot and bone, as well as putting a "roan hide" on a majority of his foals.

High Rolling Roany proved to be much more, though, in our hearts. We were fortunate enough to be able to acquire a large band of High Rolling Roany daughters from Bub and Nona Nunn of Miles City, MT. These daughters had all of High Rolling Roany's traits in addition to phenomenal maternal traits--especially in milk production. By sale day in August, at only three to three and a half months old, many of our foals are already shed out and fat from their mama's milk. High Rolling Roany enveloped the greatness of Peter McCue, Joe Hancock, and Driftwood as well as offered more greatness within his own traits. Our High Rolling Roany horses learn quickly, want to please, and know what hat they are wearing at any given time. We rope, calve, and rodeo off of our horses and expect them to be athletic and eager. When we are done with our tasks, however, we can put our kids on top of them to cool them off or go onto their own showdeo events. If you would like more information on High Rolling Roany, you can find Larry Thornton's "Working Lines" article featuring High Rolling Roany in the August 2006 edition of *The Working Horse* magazine as well as a June 2008 article in *America's Horse*.

Featuring Legends Peter McCue, Joe Hancock, Driftwood, and High Rolling Roany...

All of Hetletved Quarter Horses' current ranch stallions are descendants of Peter McCue, Driftwood and Joe Hancock. It's with great pride that we offer our foals who have legendary ancestors, good conformation and bone, big hips, athletic ability, and good dispositions. Most of all, though, they have proven to have minds to handle any situation, pressure, and duty.

The following story segment, as well as the picture to the left with Bub and Nona Nunn, are courtesy of John L. Moore, author and Montana Rancher... "There is no lack of cow in Nunn's Roany horses. 'I saw something once I wouldn't have believed if I hadn't seen it with my own eyes,' says Nona Nunn, Bub's wife. 'Bub was working heifers in the corral on Roany, and two tried to get by him. One tried to go behind Roany, and he stuck his leg out to block it.' The Hancock line of horses have always been known for being unusually athletic for their size... 'Nick Mothershead started Roany,' Nunn recalls. 'After the first saddling he called me. 'I thought you said that horse had never been rode,' he said. He hadn't, I told him.' On his first ride Roany had behaved like a broke horse."

Lonsum Drift 045

1997 Brown Stallion ~ #3633451

Drift's 2012 foals are lots:
1, 4, 7, 9, 10, 22, 25, 30, 31, & 33.

- Hattie O Neil

Lonsum Drift 045 is a 1997 stallion that fits into our production operation nicely. He is well-dispositioned and owns an incredible pedigree. Drift rides out well...he is quick and handy under saddle.

Drift consistently produces top quality foals for our sale. He is a strong breeder that puts big hips on his foals along with good foot and bone. Several of Drift's colts are standing at stud. We also have young geldings of Drift's on several ranches, and the buyers are very pleased with them. They are smart, quick to learn, and easy to get along with.

Drifts Chip's first AQHA performers earned points in open reining and open heeling. Many of his foals are highly valued rodeo and ranch horses. Lonsum Tiger was the 1979 NCHA Reserve World Champion Cutting Horse. Tiger Leo AAA has sired 24 Superior, 10 AQHA Champions, 4 World Champions, and 3 Reserve World Champions. Kiowas Diana, a triple bred King mare, is the dam of 3 AQHA Champions, and 592 AQHA Open Points. All of her performers are full brothers and sisters to Lonsum Tiger.

Lonsum Drift 045 is 12.5% Driftwood, 4.69 % Joe Reed, with 14 crosses to Traveler, 10 crosses to Little Joe, and 9 crosses to Peter McCue.

High Driftin Hancock

2002 Buckskin Stallion ~ #4209798

Like the rest of our stallions, Frosty is a gentleman in the

pasture. He loves to be the High Rolling Twister center of attention!

- High Rolling Roany
- Chicks Baby Blue

- Roan Prairie
- Vanzi Reno Bar
- Blue Amigo Socks
- Miss Chick Twist

High Driftin Hancock has quickly become an important part of our program. His foals are exceptional. They come with big hips, good minds, and beautiful color. His pedigree offers one of the highest concentrations of Driftwood and Hancock available. "Frosty" is a gentle, well-mannered, good-looking stallion with a keen head and soft eye. Under saddle, he is quick to learn and proves to have a good mind. He rides out well with natural cow ability and catlike agility.

Frosty's pedigree represents: 12.5% High Rolling Roany, 15.63% Driftwood, 14.45% Joe Hancock, 5.08% Peter McCue, and 4.69% Three Bars.

High Driftin Hancock's 2012 foals are lots: 5, 11, 15, 20, 21, 23, 28, & 29.

High Rolling Copper
#17 - Bay Roan

Jax Rolling Copper is a 1998 stallion is a son of High Rolling Roany that was born on our ranch out of one of Bub's mares and was raised on Bub Nunn's ranch. Gene kept and rode Copper for two winters when Copper was younger. He carries many of his sire's characteristics with his strong build and large frame. His bottom side offers more crosses to Driftwood and Apple Jax.

We were able to purchase Copper in 2011 and are pretty excited to offer his 2012 foals will look like. Copper has a shocking resemblance to his sire, High Rolling Roany. His dam, High Rolling Copper, was an amazing producer for us. Copper has the disposition that High Rolling Roany is known for along with good bone, a kind eye, and a gentle manner. He is 75% High Rolling Roany, 10.16% Joe Hancock, and 9.38 % Driftwood. He goes back to the legendary foundational sire legend, Peter McCue, seventeen times!

Rolling Jax Copper's 2012 foals are lots:

2, 3, 6, 8, 12, 13, 16, 17, 24, 26, 27, 32, 34, 35, & 37.

Quintas Lucky
Palomino

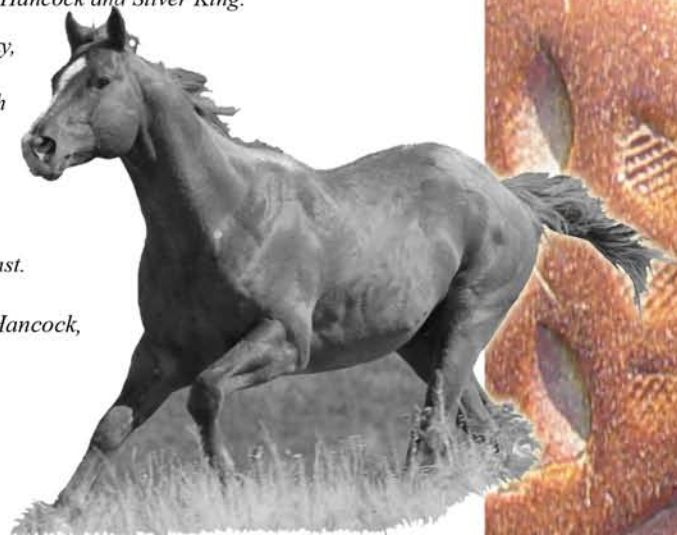

High Rolling Lucky is a 1999 stallion raised on our ranch who is a son of High Rolling Roany. He carries many of his sire's characteristics with his strong build and large frame. His bottom side offers more crosses to Hancock and Silver King.

We rodeoed on High Rolling Lucky's dam, Quintas Lucky, along with full brothers and 3/4 sister to her. His dam's full brother qualified and competed at the National High School Rodeo Finals in 1989 as a heading horse for

Lee. A full sister to Quintas Lucky competed in the cutting event with Lee on board at the National High School Rodeo Finals in 1991.

We've had a few Montana ranchers tell us that High Rolling Lucky's get are really riding nice. They seem to have just the minds we're wanting to offer and are built to last.

High Rolling Lucky's pedigree represents: 50% High Rolling Roany, 13.28% Joe Hancock, 7.62% Peter McCue (an amazing 25 crosses!), and 6.25% Driftwood.

Oswald Taylorcat's
2012 foal is lot:
14.

Oswald Taylorcat

2008 Bay Stallion ~ #5094693

We are pleased to introduce our youngest sire to the stallion battery of Hetletved Quarter Horses. "Taylor" is an old-fashioned, foundation built stallion with muscle, hip, and fantastic disposition. He's great to be around and is proving to be a quick learner as he begins his training.

Taylor's pedigree represents: 53.2% Peter McCue cross connections, 12.5% High Rolling Roany, 11.8% Piggin Spring, 9.6% Locks Rondo, and 4.9% Driftwood.

AQHA Ranching Heritage

Hetletved Quarter Horses is proud to be a recognized, invited member to the AQHA Ranching Heritage Breeders Association. Ranching Heritage Breeders are those that breed and raise the ranch-type horse, which remains at the core of the American Quarter Horse Association and epitomizes the breed's versatility. AQHA Ranching Heritage Breeders should embody the longevity, integrity and honesty of the ranching tradition. AQHA Ranching Heritage Breeders are those that breed and raise the ranch-type horse, which remains at the core of the American Quarter Horse Association and epitomizes the breed's versatility.

To be recognized as a "Ranching Heritage Breeder," breeders should meet the following criteria:

- The ranch must be a member of the American Quarter Horse Association.
- Ranch remudas must consist of registered American Quarter Horses.
- The ranch must own a minimum of five AQHA-registered mares used to produce ranch horses.
- The ranch must maintain a remuda for the specific purpose of operating a working cattle ranch.
- The ranch must have received, at minimum, an AQHA 10-year Breeder award.
- The ranch must apply to and be approved by the AQHA Ranching Council

* Lonsum Blue Jet had the high-selling filly of the 2006 sale. The granddam, Lightning Jet Cat, was a fantastic line for us. This colt should fit well into your program.

* There's a lot to say about this colt: 37.5% High Rolling Roany, 8.59% Sea Bar, 7.81% Driftwood, and 6.45% Joe Hancock.

* This colt was 5 days old when this photo was taken. He can come back to the mare for a while if you would like.

General Sale Information

Sale Location: Bismarck, ND at LH Equine Center. Take Bismarck Exit 159. Head North 9 miles on Highway 83. Turn West on 149 Avenue NW, travel 3 miles. LH Equine Center is on the North side of the road.

Sale Day Phones: 701.221.0696, 701.226.1363; 701.220.4720, or 701.226.2775.

Ranch Phones Prior to Sale Day: Hetletved Quarter Horses' (Gene & Jan) 701.392.8351; Lee & Penny Hetletved 701.221.0696.

Lunch: Available on the grounds by Jane's Down Home Cooking of Mandan, ND.

Accommodations: Hotels in the area: Comfort Inn Suites, 701.223.1911; Fairfield Inn, 701.223.9077; AmericInn, 877.205.8226; Best Western Doublewood Inn, 1.800.780.7234; and Candlewood Inn Suites, 701.751.8900.

Transportation: Bismarck, ND is served by major airlines with auto rental available at the Bismarck Municipal Airport. Looking for professional horse haulers? We have three that use our place as a resting spot along the way: American Horse Transport, 800.991.9770; Charlie Gibson, 509.607.9904; and Don Weideman, 605.212.5451.

Liability: Any person attending this sale does so at his own risk. Neither the owners, sale management, nor any other person connected with the sale assumes any liability, legal or otherwise.

Absentee Bids: Anyone wishing to bid who cannot attend the sale may place a phone or mail bid by contacting either ranch listed above. A letter of credit is required at least three days prior to sale date.

Registration and Transfers: HQH foals will be registered with AQHA. HQH foals' papers will be mailed to the buyers once papers are received from AQHA. Transfers will be filled out sale day, so please remember to bring your AQHA membership ID number to the sale.

Terms and Conditions: Terms of this sale are cash, personal check, or cashier's check (US Funds). Driver's license or some other form of identification will be required for bidding. Every animal sells to the highest bidder with the auctioneer settling any and all bid disputes. All lots are buyer's property as soon as the gavel drops. No delivery is available until final settlement is made on all purchases. Buyers must make arrangements for care of horses at their own risk until delivery is taken. Announced changes in the catalog information on sale day take precedence over printed material in this book. Every effort has been made to insure correctness of this catalog, but sellers and managers assume no responsibility for errors or omissions. The auctioneer, announcer, employees, and sale management act as agents only for the sellers, but assume no liability for either the buyer or seller.

Health: Health of these horses is excellent.

Individual health papers with a Coggins test will be issued for shipment anywhere in the US. All Hetletved foals will be wormed, vaccinated, and handled. All Hetletved foals' halters will accompany the foals to their new owners.

Extras: The volume buyer for Sunday's Production Sale will be presented with foal feed courtesy of Hetletved Quarter Horses. The Hetletved Showcase Champion during Saturday's preview (7 PM) will be awarded a handmade buckle.

We sell in catalog order. We sincerely thank you for your interest in our sale, and thank you very much for coming!

Please Bring Your Catalog on Sale Day!

When the brand goes on...many jobs are filled!

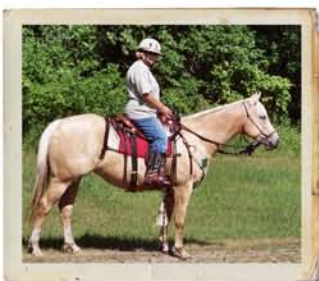

The 2011 Hetletved Showcase Buckle Competition was for a Darryl Howard trophy buckle. The champion was "Roan Prairie Doc" a red roan gelding about of High Rolling Lucky (sire reference page 5) and Little Hickory Miss. The owner of "Big Country" is Jeremy and Lacey Cargo of Bismarck, ND.

These two Hetletved Horses are used for pleasure riding not only in their MN area but also travel to the Badlands.

Pictured to the left is Pam Daly on "Moxie," out of High Rolling Red #25, a daughter of High Rolling Roany.

Pictured below is Alice Larson on "Copper" out of a Hancock mare and Zan Gold Jackson.

Pam Daly has now won several Ranch Sorting Championships. And the latest? She has officially ridden from the Minnesota line to the Montana state line. Pam was also 2011's HQH Showcase Reserve Champion. We're proud of Pam's accomplishments and are so appreciative for the many things she does to assist us in sale preparations! From making halters, organizing, proofreading--Pam is willing to help in any way. Thanks Pam!

Pictured above is Adam Rose heading off of "Lonsum Gray Drift." "Drift" is out of Lonsum Drift 045 and High Rolling Roany daughter Roan Misty Blue #24. He has been used competitively at the pro level. "Drift's" other hat is senior ranch stallion at the Roan Rose Ranch in Willard, Missouri, owned by Phillip and Lynn Rose.

Pictured to the left is Baileie Ziesch competing in the Hetletved Showcase on "Bob," also known as Zans Bob Hancock out of Zan Gold Jackson and Charleys Badger. Baileie and Bob won Senior Horse Person Honors at the Kidder County Fair. Baileie, along with her parents Robin & Shelly and sisters Cassidy & Morgan have been great customers at past sales. The Ziesch family are more than customers, though, they are close family friends who are extremely helpful in many capacities before, during, and after sale time!

Bill and Deb Knuth have been faithful foal buyers in the HQH ranch. The only thing better than folks buying and using our horses is when they send back reports & pictures. Pictured left is Deb on

Pictured above is Doug Enloe, Long Prairie, MN, on top of "Zan Gold Jodie," out of Zan Gold Jackson x Roan Jax Jodie. A full sister of this mare has HQT Lot 27 this year. Doug uses "Big Roanie" for the sheriff's mounted police.

Above is Roan Prairie Fire, out of Zan Gold Jackson and High Rolling Patti (a High Rolling Roany daughter). Kelly Cloward of Salem, Utah is the owner, and he wrote to us: "I own Roan Prairie Fire and stand him to the public. The ones I've raised out of him travel like a Cadillacs and move very nice, showing tons of cow and ability. The offspring are trainable and intelligent, with substance, bone and muscle, deep chested with good withers, nice heads and they have the pedigree I wouldn't change. My thank you to you is well overdue. I am very happy and to ride your bloodlines, and plan to as long as I can. I am only 46 years old, so hopefully I will be riding them for a hell of a long time!"

"Rollin Orphan Drift" (2008) out of High Driftin Hancock x Dudes Lady Driftwood. Bottom left is Matt sharing saddle time with "Drift." His sire's reference page is 4. The pictures to the right are of "High Rollin Wrangler" a 2007 gelding out of High Rolling Lucky x Miss Pacifics Jo. Mike Knuth posed with his new bride in these pictures for their engagement invitations. Later, Mike and Etta posed together with "Wrangler" while they awaited the arrival of their son. We are pleased to introduce you all to Garrett William, born June 14, 2012. Congratulations Knuth Family!

Pictured to the right is "High Driftin Gold" a 2005 Stallion standing at stud for Robinson Cattle Co. in Wellsville, Missouri. High Driftin Gold is out of High Driftin Hancock and Lonsum Blue Drift (a Lonsum Drift 045 x Rolling Jet Cat #4 mare that was a daughter of High Rolling Roany). Allen Robinson wrote, "We feel very blessed to have High Driftin Gold...we have four foals out of him...they are nice and what we expected." Allen went on to report that this stallion runs with two other ranch stallions during the off season and is an "easy keeper." High Driftin Gold's dam, Lonsum Blue Drift, has HQT Lot 5, a palomino stallion bred the same way in this year's sale.

To the left is Vickie Harris (left) and her daughter Cori Collins riding in Big Sky country. Vickie is riding her main ride, Jo High Jinks. "Jo" is out of a High Rolling Roany daughter, Roan Sweet Jax #2, who proved to be a tremendous producer for our program. Jo High Jinks, not only being a super saddle horse, also serves as ranch stallion on Bill and Vickie's ranch located in Mosby, Montana.

The 2009 HQT Showcase Champion Honors went to Dan Veit aboard "Stearns Jax Roany," a gelding out of the High Rolling Roany daughter Roan Jax Apple #21. This dam had the highest selling colt in the 2009 sale. "Stearns Jax Roany" also known as "Two Socks" is the disposition that High Rolling Roany is known for...take a gander to the right for the many other jobs "Two Socks" has on his resume.
